- History is a mandatory group 3 subject, but you must choose level. If you want an extra group 3 subject, Visual Arts cannot be chosen from group 6.

- If you do not choose Visual Arts from group 6, choose another subject from groups 1, 2, 3 or 4.
- If you choose two group 4 subjects, one of them must be Chemistry.
- Placement into Math levels is based on grades from entry exams. Contact the school for more information.
- The school needs a certain number of students to constitute a class, and we cannot guarantee that all your choices can be met. An updated version of courses offered can always be found on the school’s webpage.
