

## 1.1 Uddannelsesudbud (Study Programmes)

I overensstemmelse med Gymnasieloven, LOV nr 1716 af 27/12/2016, udbyder Hasseris Gymnasium uddannelsen til studentereksamen (stx), som er studieforberegende og almendannende, og som giver grundlag for videregående uddannelse.

In addition to this, Hasseris Gymnasium also offers the International Baccalaureate Diploma (IB). The teaching language for IB is primarily English. The IB Diploma Exam is recognized worldwide as a university admission exam. In Denmark it is likewise accepted for admission for further education on equal terms with stx, hhx and htx and with new, highly improved admission terms for IB students in Denmark from 2018.
