Dear PreIB parents,

Happy New Year! As I wrote to you before Christmas, the process of getting PreIB ready for IB1 next school year begins here in January. On Tuesday January 18 in the 1st module, Ivan and I will introduce the subjects in the IB Diploma Programme and the subject choice process, and in the following week the teachers will elaborate regarding their subjects. Deadline for the final choice of subjects is February 16, and in the weeks before that I will have individual talks with all students.

In connection with the subject choice process for PreIB, we also have a parent information session about the subject choice. This session is virtual and will be prerecorded, and the link to the session will be available by the end of week 3 in Lectio in a message to the students and on the school's webpage. At this information session we will go through relevant rules and regulations concerning the IB Diploma Programme as well as further education in Denmark and abroad to ensure a solid basis for choosing the right subjects for each individual student. If you want to know more about the IB Diploma Programme at Hasseris Gymnasium before the session, information is available on the school's webpage on <http://www.hasseris-gym.dk/ib/programmes>.

It is advisable to have watched the parent information session before **Wednesday January 26** when we have parent consultations from 17.00 to 21.00. Here it is possible to talk to teachers whose subjects are especially relevant for the subject choice – Math, English, Danish, Physics, Biology, Chemistry, Visual Arts and German. You can also ask to talk to me, but please note that since I will be talking to each student individually during the weeks up to the subject choice deadline, this evening's consultations with me should primarily be about other issues. The consultations will be virtual using the students' Teams profile. We expect that students also participate in the consultation.

Deadline for registration in Lectio for the parents' consultation evening is Thursday January 20, 2022, at 9.00. Note that it is only possible to sign up via Lectio and only before the deadline. Schedule for the evening's consultations will be available in Lectio Monday, January 24, 2022, at 15.00.

Should you have to cancel your participation once given times for consultations, you must contact member of senior management Ronni Sejrsen Hansen directly on rs@hasseris-gym.dk or by phone on 96 32 71 10.

Best regards
