

Hasseris, January 9, 2023

Dear PreIB parents,

Happy New Year! The process of getting PreIB ready for IB1 next school year begins here in January. On Thursday and Friday in week 2 I will introduce the subjects in the IB Diploma Programme and the subject choice process, and in the following weeks the teachers will elaborate regarding their subjects. Deadline for the final choice of subjects is February 14, and in the weeks before that I will have individual talks with all students.

In connection with the subject choice process for PreIB, we also have a joint parent meeting about the subject choice

Thursday January 26 from 17.00 to 17.45 in room C01 at Hasseris Gymnasium.

At this meeting Ivan Ioujakov and I will go through relevant rules and regulations concerning the IB Diploma Programme as well as further education in Denmark and abroad to ensure a solid basis for choosing the right subjects for each individual student. If you want to know more about the IB Diploma Programme at Hasseris Gymnasium before the meeting, information is available on the school's webpage on <http://www.hasseris-gym.dk/ib/programmes>.

On the same evening, we offer individual parent-student-teacher consultations from 18.00 to 21.00. Here it is possible to talk to 5 teachers whose subjects are especially relevant for the subject choice – Math, English, Danish, Physics, Biology, Chemistry, Visual Arts and German. We expect that students also participate in the consultation.

Deadline for registration in Lectio for the parents' consultation evening is Friday January 20, 2023, at 9.00 (find "Konsultation" in the top bar in the student's individual profile). Note that it is only possible to sign up via Lectio and only before the deadline. Schedule for the evening's consultations will be available in Lectio Tuesday, January 24, 2023, at 15.00.

Should you have to cancel your participation once given times for consultations, you must contact member of senior management Ronni Sejrsen Hansen directly on rs@hasseris-gym.dk or by phone on 96 32 71 10.

Best regards

Karin Skals

Head of IB Department/IB Coordinator
